Introducing...A better way to find qualified candidates for job openings

The *NEW* EACUBO Job Board

Are you tired of searching through stacks of resumes and not finding the skilled professionals you need? EACUBO's new job board features state-of-the-art career center technology, robust resources for employers and job seekers, and direct access to qualified professional candidates for job openings.

Job Board Features:

- Easy-to-use job posting system
- Resume bank with hundreds of qualified candidates
- Powerful search capabilities
- Career Center resources for job seekers
 - Career coaching, resume help, education/training, articles, blogs
 - Job alerts and anonymous resume posting options
- Ability to match the skills and experience you want with available job seekers
- Low fees for employers posting a position (\$100 for EACUBO members to post a job for 30-90 days)
- Pay-by-prospect (pay only for the resumes of interested candidates) and other flexible options for employers; \$35 fee per resume purchased

Your first step is to create an account. Signing up is easy:

- Go to www.eacubo.org
- Click on Job Board
- Under the Employers/Recruiters heading, click on Create Employer Account
- Under the New Users Create An Account heading, enter the information requested in the text boxes.
- When you are finished, click on Create My Account

You will receive an email with details about posting jobs, how to access candidate profiles, how to create an institutional profile, and how to manage your account.
